Respond Exterior.

Respond Exterior.

Based on Takeform's Moxie construction.

Utilizes a direct print image on a 6mm aluminum composite material (ACM) panel, protected by a proprietary UV coating to create surface that stands up to harsh cleaning chemicals, won't harbor germs, is resistant to color fading, and graffiti.

Respond Exterior.

Respond Exterior.

Based on Takeform's Moxie construction.

Utilize either A-frame construction or free-standing construction.

Utilizes a direct print image on a 6mm aluminum composite material (ACM) panel, protected by a proprietary UV coating to create surface that stands up to harsh cleaning chemicals, won't harbor germs, is resistant to color fading, and graffiti.
