THE STORY

OBJECTIVE

The Rightsize Facility Showroom project involved the design and furnishing of an 8,000 sq.ft. commercial office space located in Southfield, Michigan. The project was completed in June 2022 and included various manufacturer partners.

DESIGN SOLUTION

Rightsize Facility was very intentional regarding their space objectives and developed a contemporary, spacious yet welcoming layout that accentuated the company's identity. Emphasis was placed on promoting collaboration and integrating technology in the meeting areas, while ensuring scalability by selecting adaptable furniture specifications to accommodate future growth.

DESIRED OUTCOME

The Michigan Showroom project was a successful endeavor, garnering positive reviews for its progressive space planning as well as the quality of products. Manufacturer partners included AIS, Sit On It Seating, Groupe Lacasse, Global, JSI, Grand Rapids Chair, Arcadia/Encore, Source Seating, Zonez, Nxt Wall, Ghent, and Metal Arc.
